Description

This Bali catamaran is equipped for optimal sailing comfort. It includes a full-batten main sail and a Dacron-reinforced solent, complete deck hardware for a Code 0 with an additional winch. Powered by two 50 hp Nanni engines, it also has a generator, solar panels (400W), and reversible air conditioning. Amenities include a watermaker, electric toilets, a dishwasher, and a washing machine. For leisure activities, it offers two sunbathing areas, a gas grill, and a state-of-the-art Raymarine electronics system.
