Description

This elegant dayboat is powered by twin Volvo D6 440 hp engines with joystick control for precise maneuvering. The exterior features an eco-teak deck, LED T-Top, fore and aft sunpads, and an electric barbecue. Inside, the refined layout includes an owner's cabin, a double cabin, a fully equipped galley, and air conditioning. With Volvo electronics (displays, autopilot, bow thruster) and a premium audio system, it delivers comfort and performance for your days at sea.
